

PRELIMINARY PROGRAM

Guest Speakers

Dr Simon Mitchell

Dr James Holm

James R. Holm, MD, FACP, FACEP, FUHM

Dr. James R. Holm is currently the Medical Director of the Center for Hyperbaric Medicine at Virginia Mason Medical Center in Seattle, Washington. Dr. Holm received his medical degree from Georgetown University, Washington, DC, in 1985. He completed, and served as Chief Resident, at the combined Emergency Medicine and Internal Medicine Program at Northwestern University, Chicago, Illinois, in 1989.

Dr. Holm maintains active board certifications in Emergency Medicine, Internal Medicine, and Undersea and Hyperbaric Medicine. He has been awarded fellow status within the American College of Physicians, American College of Emergency Medicine, and the Undersea and Hyperbaric Medical Society.

He is currently the Past President of the Undersea and Hyperbaric Medical Society (UHMS). His clinical activity and research interests include decompression illness, iatrogenic gas embolism, carbon monoxide poisoning, and treatment of chronic radiation tissue injury with hyperbaric oxygen.

Dr. Holm grew up in Southern California and became a certified SCUBA diver 1969 at the age of 13. He became a NAUI and PADI SCUBA Instructor in 1978, while in college at University of California, Santa Barbara and taught diving in California and Grand Cayman Island. He is still an active diver and enjoys underwater photography and videography.
